La finesse du papier modelé donne naissance à des coupelles délicates, à la frontière de l'objet et de la sculpture.

Shaped from finely molded paper, these delicate bowls exist at the threshold between object and sculpture.

Tableaux, pensés comme des fragments de jardin.
Ils offrent une respiration poétique, une fenêtre
ouverte sur un paysage, entre nature rêvée et souvenir.

Paper art, conceived as fragments of a garden.
They offer a poetic pause, an open window
onto a landscape, suspended between
imagined nature and memory.
